Sir:

Publications identified in the International Search Report are filed in the application identified above pursuant to 37 C.F.R. §1.56. A copy of each reference is provided for review by the Examiner. The applicant attests that the first citation contained in the Information Disclosure Statement was cited in the International Search Report not more than three months prior to the filing of this information disclosure statement. The filing of this Statement shall not be construed to be an admission that the information cited in the Statement is, or is considered to be, material to patentability as defined in §1.56(b).

None of the above-cited art is believed to disclose or suggest the invention recited in the claims of the above-identified application. It is therefore believed that the claimed invention is patentably distinguishable over these references.

Please charge any fees that might be due in connection with this Information Disclosure Statement to our Deposit Account No. 10-0435.

Respectfully submitted,

BARNES & THORNBURG
